

First Love

The Maccabees

First love, last love
Only love, it's only love

First love, last love
Only love, it's only love

Do you miss home?
Do you miss home?
And are you cool
Symmetrical?

"Let's get married
And tick the boxes"
Says, and so she says
"Oh, let's get married
And tick the boxes"

Do you want to be alone?
D'you wanna be alone?
And are you cool
Symmetrical, hypocritical, analytical?

So critical
Nothing's perfect and I'm hoping I'll do, do
But I will not do
'Cause nothing's perfect so I'll have to make do

And it's my mistake
And no mistake
And I would take it back if I could
So stay with me tonight

And I've made my bed, I'm lyin' here
And pillow-talkin' into it
I've made my bed, I'm lyin' here
I enticed you with its leopard print
And matching velvet duvet

First love, last love
Only love, it's only love

First love, last love
Only love, it's only love

Only love, only love
It's only love
