

Brixton

The Madden Brothers

Stay-ay-ay, oh-oh-oh, don't go, oh
Stay-ay-ay, oh-oh-oh, don't go, oh
Stay-ay-ay, oh-oh-oh, don't go, oh
Stay-ay-ay

Brick by brick we built this up
It's such a shame to tear it down
Stone by stone, yeah we made it last,
But maybe love is a careless craft
We were young and afraid to fall
Cause we'd never been in love before
With each tick-tock as the time was passed
Baby, was it built to last?

We don't got a lot to say,
We don't got a lot to say now lately
Don't got a lot to say,
Cause I don't want to hear you say you're leaving,
You're leaving me

If you walk away now
It won't prove a thing
If you talk to me now
I'd say anything to keep you here with me,
But you just can't hear when you're always screaming
There's only one more thing I really want to say

Just stay-ay-ay, oh-oh-oh, don't go-oh
Stay-ay-ay, oh-oh-oh, don't go-oh

Remember when you called me up?
I was on my way to Brixton
You told me I should listen up,
Yeah, you asked if I was listening
You said love's a game you don't wanna play
Cause you've only got one heart to break
Well the only shot that you're sure to miss
Is the one that you don't take

We don't got a lot to say,
We don't got a lot to say now lately
Don't got a lot to say,
Cause I don't want to hear you say you're leaving,
You're leaving me

If you walk away now
It won't prove a thing
If you talk to me now
I'd say anything to keep you here with me,
But you just can't hear when you're always screaming
There's only one more thing I want to hear you say

Say you'll always stay
I'll always keep you by my side
Say you'll always stay true, always
I will love you till the day I die

If you walk away now
It won't prove a thing
If you talk to me now
I'll say anything to keep you here with me,
But you just can't hear when you're always screaming
There's only one more thing I really want to say

Just stay-ay-ay, oh-oh-oh, don't go, oh
Stay-ay-ay, oh-oh-oh, don't go, oh
