

# Love Pretenders

The Madden Brothers

Maybe we should just be love pretenders  
Cause baby we don't need these scars  
Never gonna let my heart surrender  
I'm afraid to fall too hard

I've dropped my soul down the darkest hole  
And I can't find my way out  
But I retrace the steps I take  
And I try to figure out

Why do I do this to myself?  
Why do I let my guard down?  
Why do I just replay the past?  
Why do I let you come around?

We've both been here before  
Yeah, we've both been here

Maybe we should just be love pretenders  
Baby, we don't need these scars  
Never gonna let my heart surrender  
I'm afraid to fall too hard  
Oh-whoa, oh-whoa, oh-whoa  
Love pretenders  
Oh-whoa, oh-whoa, oh-whoa  
Love pretenders

I'm optimistic, that if we risk it  
We could work it out  
But it's a gamble, when hearts get tangled  
We could come unwound

Why do we do this to ourselves  
When we need each other?  
Why don't we try to make this last?  
Why don't we try to stick around?

We've both been here before,  
Yeah, we've both been here

Maybe we should just be love pretenders  
Baby, we don't need these scars  
Never gonna let my heart surrender  
I'm afraid to fall too hard  
Oh-whoa, oh-whoa, oh-whoa  
Love pretenders  
Oh-whoa, oh-whoa, oh-whoa  
Love pretenders

Some say don't waste your days playing it so safe  
Love takes a heart brave enough to play

Maybe we should just be love pretenders  
Baby, we don't need these scars  
Never gonna let my heart surrender  
I'm afraid to fall too hard  
Oh-whoa, oh-whoa, oh-whoa

Love pretenders  
Oh-whoa, oh-whoa, oh-whoa  
Love pretenders

Some say don't waste your days playing it so safe  
Love takes a heart brave enough to break
