How am I to tell that it's over, baby? Please, I try to understand Nothing lasts forever if you had it all you'd leave I try to understand You can take or you leave it But boy Don't you leave me I try to understand You can take or you leave it But easy, boy Don't you leave me I try to understand How am I to tell that it's over baby? Please try to understand Nothing lasts forever if you had it all you'd leave I held you in my hands, nothing had been planned for me Воу Don't you leave me I try to understand $\,$ You can take or you leave it But easy, boy Don't you leave me I try to understand You can take or you leave it But easy, boy Don't you leave me I try to understand You can take or you leave it But easy, boy Please believe me How am I to tell that it's over She is over Nobody else could ever know, no, no I try to understand Baby please, I try to understand Baby please, I try to understand Don't you leave me I try to understand I try to understand Don't you leave me I try to understand Don't you leave me

I try to understand Don't you leave me
