Baby if you telephone, maybe I could meet you in the morning

riff:B|-12-10--12-12---10-12-|G|------| x2

G D(riff) ACall me if you're on your own, maybe I could meet you in the morning

so that's how the verses and chorus go. now for the slow bit, whichco mes in after the second chorus. when they go "morning" the secondtime there's a pause, then a whole bunch of "Ba's"

Ba, ba ba, ba ba, ba ba, ooh ooh ooh

Mornings eleven , The feelings are severed, I can't feel anything at all

But I would die for you Oh I would die for you

All that I'd ever seen, All that I'd ever been, All that I'd ever wan ted

And I would die for you , Oh I would die for you

I, had it all, But I never thought I did...No no no no, I never thought I did, Ooh oh oh oh oh

I, had it all, But I never thought I did...No no no no, I never thought I did, Ooh oh oh oh oh

Ba, ba ba, ba ba, ba
