Wheels on Fire

The Magic Numbers

Wheels on fire Why don't you Tell me lies You ought to Wheels on fire Why don't you say goodbye Well there's a light And there's a hope Come swing me baby From this here rope I sold you a lie And prayed that maybe Someday you'd return it Lord knows I've earnt it I keep finding words that leave you - I told you I don't mind Something tells me I'm not meant to - I told you I don't mind I keep finding words that leave you Wheels on fire Why don't you Tell me lies You ought to Wheels on fire Why don't you say goodbye Well there's a light And there's a hope Come swing me baby From this here rope I sold you a lie And preyed that maybe Someday you'd return it Lord knows I've earnt it I keep finding words that leave you - I told you I don't mind Something tells me I'm not meant to - I told you I don't mind I keep finding words that leave you Wheels on fire Why don't you Tell me lies You ought to Wheels on fire Why don't you say goodbye (4x)
