

Absolutely Cuckoo

The Magnetic Fields

Don't fall in love with me yet
We only recently met
True, I'm in love with you, but
You might decide I'm a nut
Give me a week or two to
Go absolutely cuckoo
Then when you see your error
Then you can flee in terror
Like everybody else does
I only tell you this 'cause
I'm easy to get rid of
But not if you fall in love
Know now that I'm on the make
And if you make a mistake
My heart will certainly break
I'll have to jump in a lake
And all my friends will blame you
There's no telling what they'll do
It's only fair to tell you
I'm absolutely cuckoo

Don't fall in love with me yet
