

## I'd Go Anywhere with Hugh

### The Magnetic Fields

I'd go anywhere with Hugh  
Hugh's the kind of boy I take to  
mother of God, if he only knew  
I'd go anywhere with Hugh

I'd do anything for him  
sacre-bleu when the lights are dim  
I'd entertain each and every whim  
I'd do anything for him

I love Hugh  
and Hugh loves you  
you love me  
and he does not

I don't love you  
you don't love Hugh  
what a sad gevalt

Hugh'd go anywhere with you  
Hugh would take you to Timbukto  
you would do anything for me  
me, I'd go anywhere with Hugh  
who'd do anything for you  
who'd go anywhere with me  
I'd do anything for Hugh  
he would go anywhere with you
