

## Infatuation (With Your Gyration)

The Magnetic Fields

infatuation  
with your gyration  
that's my fixation, I'm (infatuated with you)  
infatuated with you (infatuated with)

thumping to the thumping  
jumping to the pumping  
leaping to the beeping thing on the dance floor

thumping to the pumping  
pumping to the jumping  
beeping to the leaping thing on the dance floor
