

## Josephine

### The Magnetic Fields

If I were Napoleon, you could be my Josephine  
We could go to drive-in films in my red convertible  
If I were Napoleon, I might be in magazines  
I'd write some science fiction - science fiction about you  
You could be my Josephine: just you and your chaperone  
Let you be my Josephine, Josephine  
If I were Napoleon, you could be my lady love  
Look into my soft blue eyes  
Run your fingers through my hair  
If I were Napoleon, you could be my turtle-dove  
Living out in Corsica in our summer cottages  
And you could be my Josephine and we could be Siamese twins  
Let you be my Josephine, Josephine
