

## Smoke and Mirrors

### The Magnetic Fields

Someone else's world goes by  
As my train runs through this night  
Someone else's rain comes down  
But no rain can touch me now

Smoke and mirrors  
Special effects  
A little fear  
A little sex

That's all love is  
Behind the tears  
Smoke and mirrors

We were foolish, you and I  
But there's no reason to cry  
We put on a lovely show  
But that's all, I had to go

Smoke and mirrors  
Special effects  
A little fear  
A little sex

That's all love is  
Behind the tears  
Smoke and mirrors

I don't know the stations' names  
I'll spend my life on this train

Smoke and mirrors (Fumée et miroirs)  
Special effects (Effets speciaux)  
A little fear (Un peu de peur)  
A little sex (Un peu de sexe)

That's all love is (Sous les larmes)  
Behind the tears (L'amour n'est que sa)  
Smoke and mirrors (De la fumée et des miroirs)
