

Is This Bar Open Til' Tomorrow? (Live Version)

The Mahones

Is this bar open till tomorrow
'cos if it is I drink right here
Its like a good place to drawn your sorrows
Bring me whiskey, bring me beer,
Bring me whiskey, bring me beer.

I've been drinking for a long time
I've been doing this for years
And I spent a lot of my money
On whiskeys and beers.

But now I'm starting to recur
So please don't leave me straight
I thing I'm starting to see a light
I'm gonna drink that sorrow away, that's right.

Is this bar open till tomorrow
'cos if it is I drink right here
Looks like a good place to drawn your sorrows
So bring me whiskey bring me beer,
Bring me whiskey bring me beer.

Oh what you do
Look at me
What I'm doing hey...
Oh mary my dear - my dear.

I've been loving you a long time
I've been loving you but hey
If this bar is open till tomorrow
I think I'll drink here every day

Is this bar open till tomorrow
'cos if it is I drink right here
Looks like a good place to drawn your sorrows
Bring me whiskey bring me beer,
Bring me whiskey bring me beer
So bring me whiskey bring me beer
So bring me whiskey bring me beer
