

Rise Again

The Mahones

I saw you from across the road,
Your eyes were golden grain.
Loved the way you looked at me,
The best, the same.
I never saw you since that night,
I never knew your name.
I wondered where you're hanging out,
Once again.
Saw you in the bar last night,
With someone else instead.
Looked up, sure you looked at me,
You turned your head.
'Cause you are the woman of my dreams.
Sure I'd love to be your friend.
Want you to come back to me.
Rise again.
Hey!
Comin' back to this old town.
The streets are still the same.
Hopin' you'll remember me,
Once again.
I don't care where you're going to,
Sure I don't care where you've been.
As long as you come back to me,
Rise again.
Yeaha..
I don't care where you're going to,
Sure I don't care where you've been.
As long as you come back to me,
Rise again. Rise Again.
Hey!
As long as you come back to me,
Rise again.
Yeeeeeeeha!
