

# Bad Behavior

The Maine

I never wanna be a distraction,  
You say as,  
You're unashamed and naked.

I feel okay all over,  
Void of all composure.  
And none of this may sound narcissistic,  
I like the lips you kiss with.  
But I wanna wear your lipstick,  
Cause it means I got to kiss them.

You say you like the sound,  
Of cigarettes  
After sex and I say  
Yeah yeah yeah.

One two kiss,  
Her lips and bad behavior,  
I'm in danger.  
Yeah yeah  
Three four AM,  
The feeling's getting stranger,  
I'm in danger  
Bad behavior

And I don't have time for your feelings  
You tell me,  
You're insecure,  
But don't be,  
Your stakes off,  
But don't be gentle,  
It's all together mental.  
Let's go to a place where we can forget,  
We haven't left the moon yet.  
You're eloquent and stated,  
Leaving's overrated.

You say,  
You say you like the sound,  
Of cigarettes  
After sex and I say  
Yeah yeah yeah.

One two kiss,  
Her lips and bad behavior,  
I'm in danger.  
Yeah yeah  
Three four AM,  
The feeling's getting stranger,  
I'm in danger.

I wanna hate you  
It's my doses  
But I doubt you like the roses,  
You're bad for me, yeah,  
But you're bad for me, yeah.

I know you notice  
You're bad for me, yeah,  
But you're bad for me, yeah  
You're bad for me, yeah

And I say yeah yeah yeah  
One two kiss,  
Her lips and bad behavior,  
I'm in danger.  
Yeah yeah  
Oh here we go again,  
Hellbent on losing sleeper  
And I'm in danger  
Yeah, I'm in danger

I think I know you're bad for me  
I know you're bad for me.
