

# How Do You Feel?

The Maine

Dearly depressed and broken hearted  
I'd like to let you know that boys cry too  
Don't let them tell you how you're feeling  
I wonder why nobody is asking you

Are you free or are you in sorrow?  
Are you free or are you being borrowed?

How do you feel?  
What's your condition?  
You are alive but are you living?  
Give me your voice and I'll give it a listen  
Are you complete or is something missing?  
So tell me  
Do your hands shake?  
Does your heart break?  
When the earth quakes  
Whatever it is  
Whatever it isn't  
Make sure that it's real  
Oh, now, how do you feel?

To all the dearly depressed and broken hearted  
The inbetweens and all the torn ones too  
You're not alone in how you're feeling

I wonder why nobody is asking you  
Are you free or are you in sorrow?  
Are you free or are you being borrowed?

Being borrowed

How do you feel?  
What's your condition?  
You are alive but are you living?  
Give me your voice and I'll give it a listen  
Are you complete or is something missing?  
So tell me  
Do your hands shake?  
Does your heart break?  
When the earth quakes  
Whatever it is  
Whatever it isn't  
Make sure that it's real  
Oh, now, how do you feel?

How do you feel?  
Do your hands shake?  
Does your heart break?  
When the earth quakes  
Are you free or are you being borrowed?

How do you feel?  
What's your condition?  
You are alive but are you living?  
Give me your voice and I'll give it a listen  
Are you complete or is something missing?

So tell me  
Do your hands shake?  
Does your heart break?  
When the earth quakes  
Whatever it is  
Whatever it isn't  
Make sure that it's real  
Oh, now, how do you feel?

How do you feel?  
Do your hands shake?  
Does your heart break?  
When the earth quakes  
Are you free or are you being borrowed?

How do you feel?  
What's your condition?  
You are alive but are you living?  
Give me your voice and I'll give it a listen  
Are you complete or is something missing?  
So tell me  
Do your hands shake?  
Does your heart break?  
When the earth quakes  
Whatever it is  
Whatever it isn't  
Make sure that it's real, real, real  
Now, how do you feel?  
(Feel, feel, feel)
