

Identify

The Maine

Some things are out of my hands
I'm what time and consequence have made me
Sit back and watch the world explode
3, 2, 1 here come the fireworks baby

Sometimes you can feel so smart
Just like a ghost in school clothes
But my days are mostly hazy
3, 2, 1 here comes the hurricane baby

Yeeaaaah identify
Identify
(If I am not a man, what am I then?)
Yeaaaah identify
Identify
(My head, my hands are all I really have)

Don't stand in line, identify

Yeeaaaah, I bought the last plane ticket to the end of the world
Who ever says that the good die young?
All the boys are alive
All the boys are with girls
Time to give them what they're waiting for

If the drugs don't work then you probably need more
If the drugs don't work then you probably need more

Time to give them what they're waiting for

Yeaaaah identify, identify
(I'm the 88 snake that you love to hate)
Yeaaaah identify, identify
(My tongue, my teeth are what you're gonna taste)
Don't stand in line
No don't stand in line identify, identify

Some things are out of my hands
