## **Last Christmas**

The Maine

Last Christmas I gave you my heart But the very next day, you gave it away This year, to save me from tears I'll give it to someone special

Last Christmas I gave you my heart But the very next day, you gave it away This year, to save me from tears I'll give it to someone special

Once bitten and twice shyed I keep my distance but you still catch my eye Tell me baby Do you recognize me Well, it's been a year, it doesn't surprise me Merry Christmas, I wrapped it up and sent it With a note saying 'I love you', I meant it Now I know what a fool I've been But if you kiss me now, I know you'd fool me again

Last Christmas I gave you my heart But the very next day, you gave it away This year, to save me from tears I'll give it to someone special

Last Christmas I gave you my heart But the very next day, you gave it away This year, to save me from tears I'll give it to someone special

A crowded room and friends with tired eyes I'm hiding from you and your soul of eyes My God, I thought you were someone to rely on Me, I guess I was a shoulder to cry on A face on a lover with a fire in his heart A girl on a cover but you tore her apart Maybe this year Maybe this year I'll give it to someone special

Cause last Christmas I gave you my heart But the very next day, you gave it away This year, to save me from tears I'll give it to someone special

Last Christmas I gave you my heart But the very next day, you gave it away This year, to save me from tears I'll give it to someone special

And last Christmas And this year It won't be anything like, anything like

Last Christmas I gave you my heart But the very next day, you gave it away This year, to save me from tears  $I^{i\xi}IIO_{give}$  it cosmeone special
