Little

The Maine

It hit me today
If it weren't for you, always just where you are
Not where you'll always be
So wherever you are in the world
I want you to be there
And only there
Since life would be shitty before we move forward [?]
I feel a sense of goodness sinking inside me [?]
Trembling in my soul [?]
You should know
I hope you find whatever it is you're looking for
How good it feels to find the one
