

# Misery

The Maine

I'll say this once again  
You people you are my friends  
The devil he can't come in  
Tonight, that's right

Looking for misery  
But she found me  
Lying naked on the floor  
I was headed insane  
The devil told me his name  
But he's not welcome here  
Anymore

Tell me what do you see  
(What do you see)  
When you're looking at me  
(When you look at me)  
This sounds so responsibility  
Is killing me  
Inside, yeah

Looking for misery  
But she found me  
Lying naked on the floor

I was headed insane  
The devil told me his name  
But he's not welcome here  
Anymore

Stay away sweet misery  
Stay away sweet misery

The pressures building with time  
I made it up in my mind  
I've got excuses for all these things  
That I tried in my life

Looking for misery  
But she found me  
Lying naked on the floor  
(Stay away, sweet misery)  
I was headed insane  
The devil told me his name  
But he's not welcome here  
Anymore

Stay away sweet misery  
You're not welcome anymore  
Stay away sweet misery
