

# Thinking of You

The Maine

Outside I saw the moon  
And it made me think of you  
And the rain it came, and came  
There you were inside my brain

I've been thinking of you-ooo  
I've been thinking of you-ooo

Drive there in my car  
(I heard the radio)  
Play that dylan song  
(The times that you were dreaming)  
But you still haven't changed your mind  
So I sang and sang along  
I was singing along

I've been thinking of you-ooo  
I've been thinking of you-ooo  
I've been thinking of you-ooo  
I've been thinking of you-ooo

Cause she's in my head  
And i can't take it  
I need you by my side  
yeahh  
So I'll take the chance and i'll drive 'till dawn  
To show you I'm the one

Outside I saw the moon  
And it made me think of you

I've been thinking of you-ooo  
I've been thinking of you-ooo  
I've been thinking of you-ooo  
I've been thinking of you-ooo

I've been thinking of you  
(I've been thinking of you)  
I've been thinking of you  
(I've been thinking of you)  
I've been thinking of you

I've been thinking of you
