

## Even If I Could

The Mamas and the Papas

Now I know just how you feel; it was real  
When I broke your heart.  
Now I know just why you cried when I lied  
And I broke your heart.  
Now I know just how you feel,  
(Now I know just how you feel...)  
And I know that it was real  
(And I know that it was real...)  
Now I know just why you cried  
When I lied (I lied), I lied, I lied.

But I want it understood  
When it was, it was very good.  
And I would not trade away, not a day, even if I could.  
Now I know just how you feel,  
(Now I know just how you feel...)  
And I know that it was real,  
(Now I know that it was real...)  
And now you know just why I cried  
When she lied (she lied), she lied, she lied.  
But I want it understood  
When it was, it was good.  
And I would not trade a day, not a day -  
No not an hour of the day  
Though she's left and gone away -  
Even if i could...even if I could.
