

## String Man

### The Mamas and the Papas

I fell in love with the string man  
Who played guitar in a rock and roll band.  
And every night I'd watch them play  
But it happened at the matinee -  
How I squirmed when he bent those strings,  
And I screamed when he started to sing.  
The way he moved and looked so groovy,  
Well, ya know, he did something to me.  
String man...string man...string man...string man...  
So I followed the string man  
Who played guitar in a string band.  
And every night I'd watch them play,  
And they got better everyday.  
Pretty soon, and what do ya think (what do you think),  
Everybody's saying they're the biggest thing (the biggest thing  
) -  
Hit records and making the scene (the scene),  
Sexy pictures in the fan magazines.  
String man...string man...string man...string man...

I strung along with the string man;  
He always called me his biggest fan.  
Though he was kind, I should have known better  
Than to think we'd always stay together.  
And then one night the show was wild and loud,  
And I saw a pretty girl out in the crowd.  
She waved at him and caught his eye;  
The way he looked at her it made me cry.  
String man -  
String man...string man...string man...  
String man...string man...string man...  
String man...string man...string man...
