## **That Kind Of Girl**

## The Mamas and the Papas

That kind of girl would let you down; That kind of girl will always run around. That kind of girl's the kind that You always fall for, my friend; Your love is really a dull bore.

Imagine your surprise When you look in her eyes And, baby, she's not there; She's freaking out somewhere, And you think it's unfair; Well, don't be so square.

That kind of girl won't try to please; That kind of girls would never get on her knees. That kind of girl's the kind that thinks just of herself; Your on your first and she's on her twelfth. Imagine what you'll find when you open her mind And there's nothing inside that should have made you cry; She didn't have to lie and I'll tell you why -She's one of those girls... Just one of those girls (yeah).

Imagine what you'll find when you open her mind And there's nothing inside that should have made you cry; She didn't have to lie and I'll tell you why -

That kind of girl is just too strange; That kind of girl ain't ever gonna change. That kind of girl's the kind that makes you dizzy; You'll always ask and wonder who is he. She's one of those girls... She's one of those girls... She's one of those girls... She's one of those girls...
