Mama's & Papa's - Twist And Shout  
Shake it up, baby;  
Now twist and shout.  
Shake it, shake it up, baby;  
Come on and work it on out .

You know you move real good, girl;  
(Shake it up baby, now)  
You know you move real fine.  
(Twist and shout)

Come on and move a little closer;  
(Shake it up baby, now)  
Show the world that you're mine  
(Now work it on out)

You know you got me goin'  
(You know you got me goin')  
Like I knew you would  
You really really got me goin', yeah,  
Just like I knew you could.  
(Like I knew you could)

C'mon, baby, (c'mon baby)
