

## American Pop

### The Manhattan Transfer

Mama said he'd be a failure  
Live down on the Bowery  
somewhere, yeah  
Libacious schoolboy with that  
Slicked back hair  
Playing your guitar  
You rock and you roll...

Listen to American pop  
American pop  
Listen to American pop - music  
Listen to American pop  
American pop  
Listen to American pop music...

Down on the corner  
Turn on your radio  
Frankie there you are  
Underneath the skyline  
The roar and the heat

Listen  
American pop  
Listen  
American music  
Listen  
American pop  
Listen  
American music

VOCAL BREAKDOWN  
Mama look at your boy now

Listen to American pop  
American pop  
Listen to American pop - music  
Listen to American pop  
American pop  
Listen to American pop music
