5000 light years from Birdland But I'm still preachin' the rythym Long gone uptight years from Birdland And I'm still teachin' it with 'em Years from the land of the Bird And I am still feelin' the spirit 5000 light years from Birdland But I know people can hear it

Bird named it, Bird made it Bird heard it, then played it Well stated Birdland It happened down in Birdland

In the middle of that hub I remember one jazz club Where we went to pat feet Down on 52nd Street Everybody heard that word That they named it after Bird Where the rythym swooped and swirled The jazz corner of the world And the cats they gigged in there Were beyond compare
