

Chicken Bone Bone

The Manhattan Transfer

Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone

I have my woman by my side
And the moon lights up her eyes
And as I sit I wonder why
She's already got me halfway 'cross the sky
And twice as warm inside

Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone

Give me a feelin' that won't die
The way she loves me makes me wanna cry sometimes
When I'm feelin' fine she knows
She makes me come inside 'til I'm blue as the sky
And twice as mild inside

Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone

Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone

I have my woman by my side
And the moon lights up her eyes
When I'm feelin' fine she knows
She makes me come takes me clear across the sky
And twice as wild inside

Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone, Chicken Bone Bone
