

I Don't Like Anyone

The Manhattan Transfer

I don't like anyone but you.

Nikki says we're all downtown, what's my problem I don't wanna
Socialize. Why don't they leave me alone. Bad boys, jealous girls
, been there, done
That, I just wanna fantasize.
(Na, na, na, na, na, na, na) Staring at the ceiling thinking about yo
u.
(Na, na, na, na, na, na, na) It's a freaky feeling, what can I do.

I don't like anyone, the way I like you. I don't go anywhere, if
you're
Not there, too. It's not as if I'm hard to please, you're the only
one good enough
For me, those others just won't do, I don't like anyone but you.

Oh Yeah, they think I'm a little obsessed, up here sending mental
Telepathy, I'm concentrating on you. I want to you everything bu
t if I do, will
You think the less of me. (Na, na, na, na, na, na, na)
Everybody else, just wasting my time. (Na, na, na, na, na, na, na)
Baby, can't you tell, we're two of a kind.

Staring at the ceiling thinking about you, (What can I do) it's
a freaky
Feeling what can I do

I don't like anyone but you.
