

## Smile Again

### The Manhattan Transfer

Endless nights I'd play Solitaire  
Imagining that you were here  
One night flights, such heartless affairs  
They froze the hopes of love in me

You suddenly appeared  
Melted all my fears  
Filled me with the love that I need

You make me smile again like a child of three  
And I believe it will turn out right baby  
Oh, you make me smile again  
Hold me in your arms, ooh love, my love

Heart to heart our souls intertwine  
Make love and float away with me  
Twins of flame, a love so divine  
I want to spend my life around you

Now, now I have the strength  
Now I have the hopes  
You give me all I need

To make me smile again like a child of three  
And I believe it all will work out right  
Oh, you make me smile again  
Hold me in your arms, ooh love, my love

You make me smile again like a child of three  
Oh, I believe we'll live a dream for two  
Oh, you make me smile again  
Hold me in your arms, ooh love, my love

You make me smile again like a child of three  
I believe it all will work out right  
Oh, you make me smile again  
Hold me in your arms, ooh love, my love
