

Unchained Melody

The Manhattan Transfer

Oh my love, my darling (yeah)
I hunger for your t-t-t-t-t-t-touch, ooooooh
Time goes by so slowly
Yes and time can do so m-m-m-m-m-m-much
Are you still mine--

I need your love (Need it, need it, need it, need it, need it,
need it)
I need your love (Need it, need it, need it, need it, need it,
need it, need it)
Godspeed your love right now (Yeah, yeah)

Lonely rivers flow to the sea, (Yeah, yeah, flow, flow to, Sea
sea look at the sea)
To the open arms (Cmon pretty baby do you too - Yeah yeah)
Of the sea (Of the sea, sea look at the sea)
Time (C'mon pretty baby one more time, yeah yeah)
Near the side (Near the side side, wait for me, me wait for me)
Wait for me (I'll be comin' home my baby I, yeah yeah)
I'll be comin' home, wait and see (be comin' home)

Oh my love, my darling (yeah)
I hunger for your t-t-t-t-t-t-touch oooooh
Time goes by so slowly
Yes and time can do so m-m-m-m-m-m-much
Are you still mine--

I need your love (Need it, need it, need it, need it, need it,
need it)
I need your love (Need it, need it, need it, need it, need it,
need it, need it)
Godspeed your love right now (Yeah, yeah)

Oh my love, my darling (yes)
