

# Girl Of My Dream

The Manhattans

Girl of my dream, you are  
Girl of my dream

Oh, the apple of my eye, you're my cherry pie  
The sweet taste of wine at the right time  
If someone would ask me why  
I just can't deny you've had to leave

Girl of my dream, you are  
Girl of my dream

Oh, you're my moment to remember  
That day in September  
Again and again, I feel it in my heart  
If someone should ask me why  
I just can't deny

The love we share, the ecstasy  
As one we were completely  
I need you, I need you

Girl of my dream, you are

The love we share, the ecstasy  
As one we were completely  
Oh, I need you, I need you

Girl of my dream, you are  
Girl of my dream, you are  
You are, you are my dream

Girl of my dream  
Girl of my dream

Apple of my eye, you're my cherry pie  
Girl of my dream, girl of my dream  
Girl of my dream

The girl of my dream, yes you are  
You are, you are, you are, you are  
You are the girl of my dream

The girl of my dream  
You are, you are, you are, you are  
You are the girl of my dream
