

It Feels So Good To Be Loved So Bad

The Manhattans

[Ooo baby the more I love you
[The more I want to love you
[Cause loving you is
(Doo-doot-doot-doo)
[All that's on my mind
(Doo-doot-doot-doo)
[I wish I could be with you
[Forever and ever and ever
(Doo-doot-doot-doo)

Oh baby
(Doo-doot-doot-doo)
Well lovin' you is all that's on my mind
Yes it is
I want you... I want you
Want-a you
I wanna have you one more time
(Doo-doot-doot-doo)
Um-hum
Got an easy way of lovin'
And it's the best I've ever had (had)
Well well and it feels... it feels so good
To be loved so bad

Oh baby yeah
Needing you is more than I can take
(Doo-doot-doot-doo)
Come on hold me touch me thrill me
Do it to me once again
(Doo-doot-doot-doo)
Um-hum
You fill me with desire
And it's gonna drive me mad
Yeah-hey-hey and it feels it feels so good
To be loved so bad

(One two three are you ready?)
Are you ready?
(Hold on steady)
Oh hold on steady
(Here we go oh yeah now)
Here we go here we go again now
Move a little bit closer
(Come on follow me to ecstasy)
And oh girl
(Can't believe the way we float)
(We float-we float-we float) Oh no

I don't ever wanna let you go
(Doo-doot-doot-doo) un- hum
