

## Good Ole Hurtin' Song

The Marshall Tucker Band

This ole beer gut I got don't get no smaller  
If I thought it'd do any good I'd go ahead and call her  
I've been drinkin' up my pain since she's been gone  
For every fool there's a good boss too  
And the same ole sad, sad song

That beer would go a lot farther with a good ole hurtin' song  
Drink a few with a song or two, It never takes me long  
As long as I got money I'll stay where I belong  
Yeah, that beer would go a lot farther with a good ole hurtin' song

My friends keep tellin' me boy you oughta quit it

They ain't the ones that have to drink to forget it  
Forgettin' don't come easy when you're sober and all alone  
So I pop my tops and play the jukebox and the pain is gone

That beer would go a lot farther with a good ole hurtin' song  
Drink a few with a song or two, It never takes me long  
As long as I got money I'll stay where I belong  
Yeah, that beer would go a lot farther with a good ole hurtin' song

As long as I got money I'll stay where I belong  
Yeah, that beer would go a lot farther with a good ole hurtin' song
