## **Property Line**

## The Marshall Tucker Band

Well my idea of a good time Is walkin' my property line And knowin' the mud on my boots is mine

Watchin' them leaves Turnin' from green to gold There ain't no way in this world That can make a man feel old

That's when I get lovin' on my mind I get lovin' on my mind And if someone wants to know Why I'm a-hurryin' all the time You just tell 'em I got lovin' Oh, sweet lovin' Tell 'em I got lovin' on my mind

Well there's two things I think are pretty One's a black Arabian mare And the other one is a woman Who you can't stand to stare at

Ah, when that happens I get weak at both knees If I'm out a-choppin' wood I leave the ax in the tree 'cause I get lovin' on my mind I get lovin' on my mind

And if someone wants to know Why I'm a-hurryin' all the time You just tell 'em I got lovin' Oh sweet lovin' Tell 'em I got lovin' on my mind

Just tell 'em I got lovin' Oh sweet lovin' Tell 'em I got lovin' on my mind My idea of a good time Is walkin' my property line
