

# Running Like The Wind

The Marshall Tucker Band

I say, how can you say  
Where I'll be from day to day  
When I don't even know myself  
But the life that I lead  
Is so full of mysteries  
That's why I'm always on my way  
And I'll be running like the wind  
Running like the wind

The words you're about to hear,  
Even to me they're not very clear  
You see love has never come my way  
But come and fly with me  
Through life's many fantasies  
And I'll show you a new dream every day  
And I'll be running like the wind  
Running like the wind  
And you'll never hear us say  
We might be back again some day  
Well we won't - we'll be running like the wind  
Running like the Wind

I'm sure in your mind  
That you vision this paradise  
A place we could live for evermore  
So let's search wide and far  
For that mountain or that shooting star  
A sign that might show us that way

And we'll be running like the wind  
Running like the wind  
And you'll never hear us say  
We might be back again some day  
Well we won't - we'll be running like the wind  
Running like the Wind

One day you'll realize  
As you look into my aging eyes  
You'll hold my hand and you'll say  
That you'll always drift my way  
Like two leaves blowing on an autumn day  
And love me as long as there's wind in the sky

And we'll be running like the wind  
Running like the wind  
And you'll never hear us say  
We might be back again some day  
Well we won't, we'll be running like the wind  
Running like the Wind
