

# When You're Young And In Love

The Marvelettes

(Young and in love)  
(Young and in love)  
Spring in the air (filled with love)  
There's magic ev'rywhere  
When you're young and in love  
Life seems to be (just a dream)  
A world of fantasy  
When you're young and in love  
Each night seems just like the Fourth of July  
When stars spangle the sky  
The moon at night (shines so bright)  
Seems to shine twice as bright  
When you're young and in love  
Ooh, dreams can come true (try a dream)  
If you believe they do  
When you're young and in love  
Though many teardrops are bound to fall  
True love can conquer all  
When you're, when you're young and in love  
(Look and you'll find)  
Ooh, ooh yeah  
(There's no mountain you can't climb)  
When you're young and in love  
Though many teardrops are bound to fall  
True love can conquer all  
When you're, when you're young and in love  
(Young and in love)  
So in love  
(Young and in love)  
Oh, yeah

(Young and in love)  
I feel so good
