

All You Ever Do Is Bring Me Down

The Mavericks

I can't sleep a wink anymore
Ever since you first walked out the door
Then I just started drinking to forget
But I don't think the worst has happend yet

All you ever do is bring me down
Making me a fool all over town
They all wonder why I wear a frown
That's cause honey all you ever do is bring me down

It's funny how my whole world fell apart
I think I saw it coming from the start
I tried to tell myself that you'd be true
But I expected way too much of you

All you ever do is bring me down
Making me a fool all over town
They all wonder why I wear a frown
That's cause honey all you ever do is bring me down

All you ever do is bring me down
Making me a fool all over town
They all wonder why I wear a frown
That's cause honey all you ever do is bring me down
