

## Damned (If You Do)

The Mavericks

Your heart tells you yes  
But your mind tells you no  
You can't seem to find  
Which way you want to go  
The moment before  
You let yourself go  
You'll laugh just to think  
You'll do it even though

You're damned if you do  
And damned if you don't  
Damned if you will  
And damned if you won't

And sure as you are  
Of lessons you've learned  
Decisions you've made  
Will all be overturned  
But life all alone  
Is a life unfulfilled  
You may not miss the hurt  
But you sure do miss the thrills

You're damned if you do  
And damned if you don't  
Damned if you will  
And damned if you won't

You're damned if you do  
And damned if you don't  
Damned if you will  
And damned if you won't
