## **Excuse Me (I Think I've Got a Heartache)**

## The Mavericks

They just don't know
How lost I feel without you
My teardrops never see the light of day
I laugh and joke each time they talk about you
But if they heard my heart they'd hear it say

Excuse me, I think I've got a heartache There's an aching deep inside
And it just won't be denied
Excuse me, I think I've got a heartache
And I'd better say goodbye before I cry

I guess it's pride that makes me hide my sorrow I live a lie in all I do and say
My lips may lie and paint a bright tomorrow
But if I told the truth I'd have to say

Excuse me, I think I've got a heartache There's an aching deep inside And it just won't be denied Excuse me, I think I've got a heartache And I'd better say goodbye before I cry

And I'd better say goodbye before I cry
