

That's Not My Name

The Mavericks

Lonely, Mister Lonely
That's what they'll call me
That's not my name

Teardrops, Mister Teardrops
Sometimes they'll call me
That's not my name

It's one thing to be known as Mister Runaround
It's another to be known as just the biggest fool in town

Teardrops, Mister Teardrops
That's what they call me
That's not my name

It's one thing to be known as Mister Runaround
It's another to be known as just the biggest fool in town

Lonely, Mister Lonely
That's what they call me
That's not my name
That's not my name
That's not my name
That's not my name
That's not my name
