

## There Goes My Heart

The Mavericks

there goes my heart breaking in two  
there goes my eyes crying over you  
my arms don't want for us to part  
so when you go here comes the blues  
there goes my heart

you told me once we'd never part  
that you loved me with all your heart  
but now these words of love  
you're going to erase  
you've found somebody new  
who wants to take my place

there goes my heart breaking in two  
there goes my eyes crying over you  
my arms don't want for us to part  
so when you go here comes the blues  
there goes my heart

I'm standing on a bridge that's burned  
it's just a lonely lesson learned  
to see you walk away with him hurts me so  
this fool who loves you  
doesn't want to let you go

there goes my heart breaking in two  
there goes my eyes crying over you  
my arms don't want for us to part  
so when you go here comes the blues  
there goes my heart

so when you go here comes the blues  
there goes my heart ...
