

Think Of Me (When You're Lonely)

The Mavericks

Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you
Remember all the good times
We shared in days gone by
Remember all the sadness
The day you said goodbye
Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you
You said that you were leavin'
But you wouldn't be gone too long
With each new day I hope and pray
That you'll come travellin' home
Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you
I watch the mailman come
I listen for the phone
I meet the trains at the station
But I spend my nights alone
Now the waiting is over
And the time has set the scene
Yes, God meant me for only you
And he meant you for me
Think of me when you're lonely
Think of me when you're blue
Think of me when you're far away
For I'll be thinking of you
For I'll be thinking of you
