

# To Be with You

The Mavericks

A shoulder to cry on  
Someone to lean on  
Someone to take you away

Someone to talk to  
And somewhere to walk to  
I need to remind you someday

Whenever you need me  
I'll make the time  
To be with you  
To be with you

A night to remember  
The rain in September  
I want to share it with you

The month by the ocean  
We swore our devotion  
Would make all our wishes come true

Whenever you need me  
I'll make the time  
To be with you  
To be with you

I want you to know  
I've never before  
Felt this way  
No other words can say  
I was lost just yesterday  
Until I found you

Whenever you need me  
I'll make the time  
To be with you  
To be with you

A night to remember  
The rain in September  
I want to share it with you
