Last Dance

The Mekons

The dance floor's nearly empty now Everyone's gone home We're fragmented and broken up Like love affairs And as if seeing you for the first time Something whispered Looking at you in desperation Knowing nothing ever happens I wanted to say fall in love I wanted to say fall in love I wanted to say fall in love It'll be alright

So beautiful, you were waltzing Little frozen rivers all covered with snow All fragmented and broken up Oh weIl I guess it's time to go

But as if seeing you for the first time Something whispered Looking at you in desperation Knowing nothing ever happens I wanted to say fall in love I wanted to say fall in love with me I wanted to say fall in love It'll be alright

You were waltzing...
