Oh The Zorch Men We are coming We're coming from far away And everybody's running To escape the Gamma rays

Oh the humans are running 'cause the Zorch Men are Coming We say Zorch Say Zorch (Zorch)

Oh we come from another Galaxy Where We ain't gonna be We're gonna rule the Cosmos And everything living thing

That's why everybody running 'cause the Zorch Men we are coming We say Zorch Say Zorch (Zorch)

Fire the Gamma Rays

Oh The Zorch Men We are coming We're coming from far away And you know when the Zorch Men get you 'Cause you will start to say

```
Zorch, Zo
```
