

Down and Dirty

The Meteors

well just road in from hell tonite
looking for a fuck maybe for a fight
got my evil eye on a chick
she got me three legged
im kinda love sick
hey baby shake your pretty ass on over here
lets get down and dirty
come on dance with the devil tonite

dont waste your time with little boys
jump it on over and be my toy
lets get evil once for real
I got trix that'll make you squeal
Ill run you around the fucking world and
I will drag you home again
lets get down and dirty
come on dance with the devil tonite

hell I know what you dressed up for
looking like a zombie whore
thats gonna win you a prize
first time you look in my eyes
I hope you know what youre doin
cos believe me I do
just get down and dirty
come on dance with the devil tonite

Im gonna rock your fuckin world
im gonna have you shakin girl
when you wake up Ill be gone
back to hell where I belong
for the rest of your life
you gonna be screaming my name
so lets get down and dirty
come on dance with the devil tonite
dance with the devil tonite
