

## Endless Sleep

### The Meteors

The night was black, rain fallin' down  
Looked for my baby, she's nowhere around  
Traced her footsteps down to the shore  
'fraid she's gone forever more  
I looked at the sea and it seemed to say  
"I took your baby from you away.  
I heard a voice cryin' in the deep  
"Come join me, baby, in my endless sleep.

Why did we quarrel, why did we fight?  
Why did I leave her alone tonight?  
That's why her footsteps ran into the sea  
That's why my baby has gone from me.  
I looked at the sea and it seemed to say  
"I took your baby from you away.  
I heard a voice cryin' in the deep  
"Come join me, baby, in my endless sleep.

Ran in the water, heart full of fear  
There in the breakers I saw her near  
Reached for my darlin', held her to me  
Stole her away from the angry sea  
I looked at the sea and it seemed to say  
"You took your baby from me away.  
My heart cried out "she's mine to keep  
I saved my baby from an endless sleep.

Endless sleep, endless sleep
