

# Fuck Off and Die

## The Meteors

Nothin' I ever said got through  
No, nothin' I ever did was good for you  
You're one in a million  
Won't waste no more time on you  
Keep your opinion, I don't care  
I won't sit here cryin' in my beer  
You never meant anything to me  
Ain't that the truth now we can see

Why don't you  
Fuck off and die  
Why don't you  
Fuck off and die  
Why don't you  
Fuck off and die  
Why don't you  
Why don't you  
Why don't you

Too many people got my point  
You're here alone to disappoint  
Backstabbin' bastard, you smiled your last smile at me  
I saw right through you that's what hurts  
You change your fuckin' opinion like your shirts  
But now I really know what kind of fool you are

Why don't you  
Fuck off and die  
Why don't you  
Fuck off and die  
Why don't you  
Fuck off and die  
Why don't you  
Why don't you  
Why don't you

Never, never, never, never gonna care  
I kissed you goodbye sometime, somewhere  
Your face is lost to me  
You don't mean nothin' anymore  
It's important to let it pass  
The whole damn world knows I kick your ass  
Bye, Bye, Bye, Bye, Bye, Bye, Bye  
You're gone

Why don't you  
Fuck off and die  
Why don't you  
Fuck off and die  
Why don't you  
Fuck off and die  
Why don't you  
Why don't you  
Why don't you
