

# Get Off My Cloud

The Meteors

well I live in hospital on the outskirts of town  
and they fill me full o sedatives but I just wont stay  
down  
yeah they keep our hands tied, with a piece of rough  
cord  
and a sign on the door says this is the terminal ward

I just say  
hey, you getofa my cloud  
hey, you getofa my cloud  
hey, you getofa my cloud  
getofa my cloud there aint no visitors allowed

yeah we have a record player, where visiting is allowed  
and my brother smuggles records and the panther burns  
play it loud!  
yeah you get ya hair up, just once a year  
and my brother smuggles letters, tellin' my mom "i  
don't fear, i'm not mad"

I just say  
hey, you getofa my cloud  
hey, you getofa my cloud  
hey, you getofa my cloud  
getofa my cloud there aint no visitors allowed

(leave me alone)

Yeah they lock us up safely in the mornin' and in the  
night  
they got electric shocks straight to give to make sure  
that we don't fight  
the medication come round, on a little tray  
i'd rather be standing ere than outside any day

i just say  
hey, you getofa my cloud  
hey, you getofa my cloud  
hey, you getofa my cloud  
getofa my cloud there aint no visitors allowed

hey, you getofa my cloud  
hey, you getofa my cloud  
hey, you getofa my cloud  
getofa my cloud there aint no visitors allowed
