

Johnny Remember Me

The Meteors

When the mist's a rising
And the rain is falling
And the wind is blowing cold across the moor
I hear the voice of my darling
The girl I loved and lost a year ago

Johnny remember me

Well it's hard to believe I know
But I hear her singing in the sighing of the wind
Blowin' in the tree tops way above me

Johnny remember me

Yes I'll always remember
Till the day I die
I'll hear her cry
Johnny remember me

Well some day I guess
I'll find myself another little girl
To take the place of my true love
But as long as I live I know
I'll hear her singing in the sighing of the wind
Blowin' in the tree tops way above me

Johnny remember me

Yes I'll always remember
Till the day I die
I'll hear her cry
Johnny remember me
